 Commercial Pilot, Single Engine Land
 Boeing 707 Type Rating
 Flight Instructor Single and Multiengine
 Flight Instructor Instrument
 Private Pilot – glider

Experience: 3,200 hours total flying time
 Over 20 years as a flight instructor

I have instructed in single engine, twin engine, and four engine aircraft (including piston engine, turbo prop and turbojet). I enjoy flying, and you should, too. I keep a relaxed, professional cockpit environment that is conducive to learning.

Have fun and fly safe
