

**LONG BEACH TOWER
CUSTOMER QUESTIONNAIRE**

INSTRUCTIONS: We at Long Beach Tower (LGB) are interested in how our service was this past year. After you complete your questionnaire you can return it either by:

- 1. Mail it to the facility.**
- 2. Email to Tom.Monahan@FAA.gov**
- 3. Fax to 562-595-8263**

Thank you in advance for your support.

**Thomas Monahan
Air Traffic Manager, LGB**

APPENDIX 4. LOCAL AIRPORT TRAFFIC CONTROL TOWER CUSTOMER QUESTIONNAIRE

LGB AIRPORT TRAFFIC CONTROL TOWER CUSTOMER QUESTIONNAIRE

Your input is requested on this survey conducted by the local Federal Aviation Administration Air Traffic Control facility. Our goal is to strive for the highest level of service and customer satisfaction possible. To assist in these efforts, we ask that you take a few minutes to complete the following questionnaire. Your participation will provide is invaluable information and/or feedback concerning how successful we are in our efforts and what areas we need to improve in.

First, please tell us a little about yourself:

In addition to this airport, what other local airport(s) do you commonly fly to/from (check all that apply)?

CNO CRQ FUL LGB ONT POC PSP RAL RNM SNA TOA

What type of flying do you typically perform (check one):

Commercial Business/Pleasure Flight Instruction Student Military

How many total hours do you have as a pilot? _____ Hours

On average, how many hours per week do you currently fly? _____ Hours

Now, please rate the ATC services at the airport you commonly fly to/from in the following ten areas:

1. Controllers ensure aircraft entering/departing tower airspace are not in conflict with other aircraft.

Always Usually Occasionally Seldom Never

2. Controllers ensure aircraft are not in conflict with other aircraft or vehicular traffic on airport movement areas.

Always Usually Occasionally Seldom Never
